Ms. Christina Zacharuk  
President & CEO  
Public Sector Employers' Council Secretariat  
2nd Floor, 880 Douglas Street  
Victoria, BC V8W 2B7

Dear Ms. Zacharuk:

Re: Public Sector Executive Compensation Disclosure  
2018/2019 Statement of Executive Compensation for Legal Services Society

As requested and PSEC approved, the 2018/2019 compensation information for the Legal Services Society has been entered in the new Executive Compensation Disclosure module of the LIGER system as set out in the *Public Sector Employers Act*.

Included in our reporting is a detailed breakdown of all compensation provided to the CEO and the five highest ranking/paid Named Executive Officers "NEOs" of the Society. They include Mark Benton QC, CEO; Harold V.J. Clark, Vice President, Strategic Planning, Policy and Human Resources; Sherry MacLennan, Vice President, Public Legal Information & Applications; Heidi Mason, Vice President, Legal Advice & Representation; Chris Earle, Vice President, Finance and Corporate Services; and Renzo Caron, Vice President, Indigenous Services.

The Legal Services Society PSEC approved Executive Compensation Governance Framework, has also been uploaded into the LIGER system.

As the Chair for the LSS Board of Directors, I confirm that the Board is aware of the executive compensation paid in fiscal year 2018/2019 and verify that the compensation provided falls within approved compensation plans.

If you have any questions regarding this statement, please contact Harold V.J. Clark, CPHR, Vice President, Strategic Planning, Policy and Human Resources at 604-601-6025 for clarification on any of the information provided.

Yours truly,

A handwritten signature in black ink, appearing to read "Celeste Haldane".

Celeste Haldane, QC  
Chair, LSS Board of Directors

# LSS Compensation Governance Framework

This document discusses the Legal Services Society's ("LSS") Compensation program. It includes information on LSS's compensation governance, compensation philosophy and the processes used in determining compensation.

## Compensation Governance

LSS's Board of Directors is responsible for reviewing and determining the types and amounts of compensation provided to the exempt, management and executive positions, with oversight provided by the Crown Corporation Employers' Association ("CCEA") and the Public Sector Employers' Council Secretariat ("PSEC"). The Board of Directors is also responsible for reviewing and approving the compensation plan for exempt staff and the executives who report to the CEO/Executive Director.

## Compensation Philosophy

Compensation is an important tool used by LSS to attract, motivate and retain employees with the skills, experience and commitment necessary to achieve the organization's mandate, goals and objectives. LSS's compensation philosophy is to set its maximum total compensation levels equal to the 60<sup>th</sup> percentile of total compensation provided to comparable positions by relevant comparison organizations. Total compensation includes base salary, bonuses or other incentive plans, perquisites, retirement and other benefits, and all forms of paid time off.

The design and administration of LSS's compensation program is guided by the following four principles:

- ◆ **performance** – the compensation program supports and promotes a performance-based (merit) organizational culture;
- ◆ **differentiation** – differentiation of salary is supported where there are differences in the scope of the position within LSS and/or where there is superior individual team contributions;
- ◆ **accountability** – compensation decisions are objective and based upon a clear and well-documented business rationale that demonstrates an appropriate expenditure of public funds; and
- ◆ **transparency** – the compensation program is designed, managed and communicated in a manner which ensures the program is clearly understood by employees and the public while protecting individual personal information.

## Benchmarking & Determining Compensation Levels

The process by which LSS benchmarks and determines its compensation levels is described below.

## LSS Compensation Governance Framework (Cont'd)

### Selection of Comparison Organizations

The comparison organizations for benchmarking purposes are selected by the CEO/Executive Director and the Director, Strategic Planning, Policy and Human Resources, with input from external compensation consultants. The comparison organizations are public sector or not-for-profit entities, have positions similar to those at LSS, compete with LSS for employees in the market and meet several of the following additional criteria:

- ◆ is a provincial legal aid organization;
- ◆ is a BC provincial crown corporation/agency;
- ◆ has a provincial mandate; and
- ◆ is typically similar in size to LSS.

### Survey of Comparison Organizations

A survey is conducted of the comparison organizations by external compensation consultants, including the collection and comparison of the content of positions and the collection of detailed information on the following components of compensation:

- ◆ salaries;
- ◆ incentive/salary holdback plans;
- ◆ perquisites;
- ◆ group benefits;
- ◆ retirement/savings benefits; and
- ◆ paid time off.

The above components of compensation are financially valued to permit a comparison of the total compensation paid by LSS to that paid by the organizations used for benchmarking purposes.

### Application of Market Comparison Information

LSS's compensation philosophy is to set its maximum total compensation levels equal to the 60<sup>th</sup> percentile of the total compensation provided by the comparison organizations. Accordingly, the external compensation consultants calculate for each benchmark position the salary which LSS would have to pay in order to provide total compensation equal to the 60<sup>th</sup> percentile total compensation of the comparison group. This salary is then used by LSS as the maximum of the salary range for the position. The salary range minimum is calculated as 75% of the maximum.

## Components of Compensation

**Appendix A** contains a summary of the total compensation provided by LSS. The individual components of compensation are discussed below.

## LSS Compensation Governance Framework (Cont'd)

### Salary Ranges

External equity or market competitiveness is achieved by using the benchmarking results to develop salary ranges covering all exempt LSS positions. Internal equity is maintained by ensuring that the salary ranges are consistent with the relative internal value of each LSS position. Internal values are determined by an ongoing analysis of the responsibilities and accountabilities of positions using LSS's job evaluation program, which is administered by the Executive Management Committee. The Executive Management Committee positions are evaluated externally by independent compensation consultants using the same job evaluation program.

**Appendix B** contains LSS's exempt, management and executive salary ranges. Progression by an incumbent within his or her respective salary range is determined by the individual's increasing levels of competencies, coupled with a performance assessment regarding achievement of the deliverables set out in his or her performance development plan ("PDP").

### Annual Salary Holdback Incentive Plan

A new policy on Crown Corporation Executive Compensation was issued on July 25, 2012, containing guidelines for annual incentive/bonus plans. This policy requires that crown corporations/agencies with annual incentive/bonus plans for executives move towards replacing such plans with salary holdback arrangements. In addition, the policy requires that the amount of any salary holdback awarded to executives not be considered as earnings for pension purposes.

LSS does not currently have an annual salary holdback incentive plan for CEO/Executive Director and Executive staff. At any given time LSS may come forward to develop and implement an annual salary holdback incentive plan consistent with other crowns and alignment with PSEC government policy.

### Employee Benefits

All LSS employees participate in the same employee benefits programs. The benefits are comprised of standard public sector entitlements, including medical, dental, life and accident insurance, short-term and long-term disability coverage, extended health benefits and a dental plan.

The CEO/Executive Director also receives a vehicle allowance and paid parking, while the executives who report to the CEO/Executive Director receive paid parking.

### Retirement Plans

The CEO/Executive Director is provided with a defined contribution retirement arrangement, whereby LSS contributes to his RRSP an amount equal to what LSS would contribute on his behalf if he were a member of the Municipal Pension Plan. The remaining LSS employees are members of the Municipal Pension Plan.
