PavCo has adopted a hybrid approach to ensuring total compensation is competitive within the guidelines set out by the Public Secretariat Employers' Council ("PSEC"). This approach recognizes two distinct comparator groups, or benchmark categories, reflecting the specific competitive labour markets that compete for PavCo's labour. For the most part, PavCo's competitive practices reflect that of the Public Sector (including B.C. Public Sector organizations and other provincial jurisdictions where appropriate). For a few unique, specialized, and/or hard-to-hire positions, PavCo's competitive practices reflect a blend of Public and Private Sector practices.

Compensation for the CEO is set by the Board of Directors at market value and approved by the shareholder. Compensation for Executive Officers is determined by the CEO within guidelines including salary ranges, and is approved by PSEC, as set out in the Compensation Program.

Form of Compensation

In the fiscal year 2022/23 total Compensation at PavCo consisted of base salary and benefits.

1. Base Salary – PavCo has 13 salary bands below the CEO currently approved by PSEC. Positions are evaluated using a Job Evaluation System and are benchmarked and rated on several different factors that take into account knowledge & skill, effort, responsibility and working conditions. These include areas such as complexity/judgment, education, experience, initiative, physical/mental demands, result of errors, contacts and character/scope of supervision. Base salary adjustments are considered on an annual basis, based on performance, taking into consideration competitive market data, and always dependent on government guidelines, affordability and the annual salary budget as determined by corporate performance;
2. Benefits – PavCo offers a standard benefit package Extended Health, Dental, Life Insurance, Short Term and Long Term Disability, Vacation and Pension Plan. Benefits, where applicable, are extended to employees' dependents.
