## **BC Infrastructure Benefits Statement of Executive Compensation**

Reporting Period: Fiscal Year 2023  
(April 1, 2022 – March 31, 2023)

### **INTRODUCTION**

British Columbia Infrastructure Benefits Inc., (“BCIB” or “the corporation”) is a provincial Crown corporation incorporated under B.C.’s Business Corporations Act and directly accountable to the Minister of Finance.

BCIB was established to implement, measure and report on the objectives of the Community Benefits Agreement (“CBA”), a collective agreement between BCIB and the Allied Infrastructure and Related Construction Council (“AIRCC”) to grow the skilled trades workforce by creating career opportunities for underrepresented workers, locals and apprentices on select public infrastructure projects.

BCIB is comprised of unionized and exempt employees. Compensation for employees that are members of the collective bargaining unit, is in accordance with the terms and conditions of the CBA between BCIB and the AIRCC. Corporate employees of BCIB are excluded from the CBA.

### **CORE PRINCIPLES**

BCIB considers the following principles in the design, implementation, and administration of its compensation programs:

***Performance*** – Compensation programs support and promote a performance-based organization culture

***Differentiation*** – differentiation of salary is supported where there are differences in the scope of the position within the organization and/or due to superior individual or team contributions

***Accountability*** – Compensation decisions are objective and based upon a clear and well documented business rationale that demonstrates the appropriate expenditure of funds

***Transparency*** – Compensation programs are designed, managed, and communicated in a manner that ensures the program is clearly understood by employees and the public while protecting individual personal information.

## COMPENSATION DISCUSSION AND ANALYSIS

In order to achieve business, operational, and service objectives, BCIB relies on the contribution of its employees. The compensation program plays a key role in BCIB's ability to attract, motivate and retain quality employees.

BCIB's compensation plan has been approved by the Minister of Finance. BCIB has worked closely with PSEC to develop a compensation plan which closely mirrors the public service compensation plan. It reflects the perspective that total compensation includes base salary, benefits, pension, vacation, and perquisites.

The compensation plan provides for participation in both the Public Service Pension Plan and the Public Service Benefits Plan. To ensure the compensation plan remains current, BCIB reviews the plan annually.

## TOTAL COMPENSATION PHILOSOPHY

BCIB recognizes that a key component of an effective compensation philosophy is the need to maintain a meaningful degree of competitiveness with the relevant external labour market. BCIB must balance public sector and crown corporation equity and relativity with industry-specific comparability given the unique nature of its mandate.

### *Cash & Non- Cash Compensation*

Cash compensation is comprised of base salary, vacation payout and perquisites. BCIB's non-cash compensation is comprised of the following:

**Benefits:** Benefits are based on government standards, and the employer pays coverage for extended health, wellness, dental, short-term disability, long term disability and life insurance for managers and excluded employees.

**Pension:** BCIB corporate employees are members of the BC Public Service Pension Plan.

**Vacation:** BCIB provides between four to six weeks of vacation each year. Unused vacation may be carried forward to the following calendar year and any amounts carried over not used before the end of that year is paid out.

**Perquisites:** Vehicle allowance is permitted to the CEO and Senior Management receives vehicle parking as a taxable benefit.

## **PERFORMANCE EVALUATION**

In the case of the CEO, the performance review is conducted by the Board and is based on achievement of agreed upon performance goals, objectives and competencies. The CEO conducts the annual review of the executive leadership team on the same basis. All executive assessments resulting in compensation changes are reviewed with the Board and in accordance with the PSEC guidelines.
